Coming... Ready or not!

Mon 5th Feb

First term begins Monday 5th February, so here are a couple of things that you can do to be ready to make the most of the new year of tutoring ahead..

1. Have you confirmed your booking? Due to timetable and staff changes and new students booking in, please contact us to make sure that your place is still available. Just send us an email or sms and we will contact you.

This is VERY important for primary students as there are several timetable changes. At the time of writing, we have times available on Tuesday (3.45pm & 5.45pm), Wednesday and Thursday. (3.00pm. 4pm & 5pm)

2. Kids in Primary school? We are running holiday sessions to help brains get active and creative. Bookings essential so see the next page for details.

Tuition is a contract between Master Learning, the tutor, the student and the person paying the money! Master Learning provides you with an experienced and dedicated tutor who has spent time and effort preparing for your child. Just as you expect services for the fee, the tutor has dedicated the time contracted to you and expects to be paid. Remember, you are contracting the tutor for a term of tuition, not individual sessions.

- There are a number of students that pay by the week but only come in when they feel like it. This is unfair to the tutor and the group. Students who want to come and go at their pleasure will have to book individual sessions and pay an additional \$10 fee per session.
- We are also finding that we can't sustain the level of credits that we have been giving so we will no longer give a monetary credit. Time credits will be given for all notified absences. It is up to YOU to request a credit and take the alternate time offered. They may not be used as credit for next term.
- Let us know of absences for family holidays or school functions at the beginning of term and no fee will be charged.

To reinforce the guarantee of service provided at the centre Laurie has attained registration as an Accredited Tutor with the Australian tutor accrediting body, Accredited Tutor.

CHILD SAFETY MATTERS

All our tutors are appropriately assessed according to the Child Protection requirements. We seek to provide an environment that is safe, relaxed & enjoyable for students, parents and tutors. If you have any concerns, please bring it to the attention of Laurie or Denise.
