PROMOTING QUALITY TUTORING

Term 3 begins...
MONDAY 17th July
10 week term.

We assume that students are returning to tuition so if this is not the case, we would appreciate being informed so that we can open the space for another student

REPORTS - OPT IN NOW!

Do you remember seeing the survey in the email sent last term? The tutor puts a lot of time into report writing for their students and it seems that less than a handful of people read or used the report, or perhaps even read the email!

So we have decided on a new policy.

First term of enrolment - 4 or more sessions - report given

Second and subsequent terms - report given ONLY if you opt in by week 7, or the tutor feels that it is necessary to communicate with you.

Talk with the tutor? Please schedule a convenient time to talk with the tutor at anytime during the term. An email to info@masterlearning.edu.au is also a convenient way to communicate with the tutor and we are always happy to pass on anything.

Tuition is a contract between Master Learning, the tutor, the student and the person paying the money! Master Learning provides you with an experienced and dedicated tutor who has spent time and effort preparing for your child. Just as you expect services for the fee, the tutor has dedicated the time contracted to you and expects to be paid. Remember, you are contracting the tutor for a term of tuition, not individual sessions.

To reinforce the guarantee of service provided at the centre Laurie has attained registration as an Accredited Tutor with the Australian tutor accrediting body, Accredited Tutor.

Term 2 donations of \$86.70 went towards a \$150 donation to train a teacher in Cambodia.

The history of Hollylea House is very interesting. If you would like to continue the next episode, please contact Denise and she will send you the remaining files or come and read in the House.
